|                            |                    |
|----------------------------|--------------------|
| Recommended centrifugation | 2500 x g           |
| Centrifugation time        | 10 Min             |
| Liquid-tight               | yes                |
| Connection                 | membrane screw cap |

### Size

|                                  |        |
|----------------------------------|--------|
| Sample volume                    | 4.9 ml |
| Outer diameter of cap            | 13 mm  |
| Diameter                         | 13 mm  |
| Length including cap             | 106 mm |
| Length excluding cap             | 90 mm  |
| Length including cap and plunger | 127 mm |

### Material & colours

|                         |                                   |
|-------------------------|-----------------------------------|
| Colour of product       | transparent                       |
| Closure material        | High Density Polyethylene (HD-PE) |
| Colour of cap           | brown                             |
| Membrane material       | rubber                            |
| Tube material           | Polypropylene (PP)                |
| Piston material         | High Density Polyethylene (HD-PE) |
| Piston plunger material | Polystyrene (PS)                  |

### Purity & certification

|                           |                                |
|---------------------------|--------------------------------|
| Satisfies the requirement | IATA, ADR                      |
| Product category          | In vitro diagnostic device, CE |
| CE certified              | CE                             |
| Purity standard           | sterile                        |
| Sterilisation             | Electron irradiation           |
| Batched                   | yes                            |

### Packaging

|                               |               |
|-------------------------------|---------------|
| Minimum order qty.            | 20000         |
| Type of smallest subpackaging | case          |
| Piece(s) / inner box          | 50            |
| Piece (s) / outer case        | 500           |
| Piece(s) / pallet             | 36000         |
| Depth of box                  | 171 mm        |
| Width of box                  | 130 mm        |
| Height of box                 | 73 mm         |
| Depth of case                 | 388 mm        |
| Width of case                 | 358 mm        |
| Height of case                | 150 mm        |
| Case volume                   | 0.0208 cbm    |
| Weight of product             | 0.0057 kg     |
| Weight of case                | 3.62 kg       |
| EAN of inner box              | 4038917947992 |
| EAN case                      | 4038917948005 |
